

PlanetMark
Certified Business

We are Planet Mark Certified

Year 3.

EASTBOURNE COLLEGE

This is to certify that Eastbourne College has achieved the Planet Mark by reporting a reduction in its carbon footprint using the emissions banking approach and engaging its stakeholders.

Valid to: 30 November 2022

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

2040.7 tCO₂e

Total carbon footprint.

1.6 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Eastbourne College and St Andrew's Prep (Part of Eastbourne college)

Emission sources: Electricity, T&D losses, natural gas, water, waste, fleet, paper use

Reporting Period: 1 Sept 2020 – 31 Aug 2021

Engage

321

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDG's.
