

PlanetMark
Certified Business

We are Planet Mark Certified

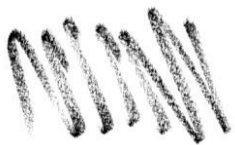

Year 2.

CHARLES OWEN
◆ ESTABLISHED 1911 ◆

This is to certify that Charles Owen has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 September 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

442.4 tCO₂e
Total carbon footprint.

4.0 tCO₂e
Total carbon footprint per employee.

Market-based

466.2 tCO₂e
Total carbon footprint.

4.3 tCO₂e
Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Charles Owen operations

Emission Sources: Electricity, T&D Losses, Natural Gas, Water, Fleet, Business Travel, Waste, Paper, Freight, Homeworking (excluded from footprint)

Reporting Period: 01 Jul 2021 – 30 Jun 2022

Engage

110

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDGs.
