

PlanetMark
Certified Business

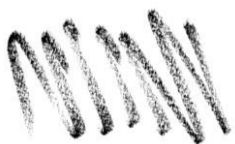

We are Planet Mark Certified

Year 2.

This is to certify that Mayflower Washroom Solutions has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 29 February 2024

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

829.5 tCO₂e

Total carbon footprint.

6.3 tCO₂e

Total carbon footprint per employee.

Market-based

851.8 tCO₂e

Total carbon footprint.

6.5 tCO₂e

Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Woolwich, Manchester, Swindon and Glasgow sites

Emission Sources: Electricity, T&D Losses, Natural Gas, Water, Waste, Fleet, Business Travel, Paper, Courier-Freight, Homeworking (excluded from footprint)
