

PlanetMark
Certified Business

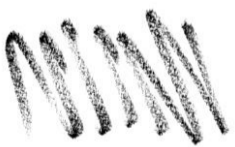

We are Planet Mark Certified

Year 1.

This is to certify that Muddy Trowel has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 June 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
