

PlanetMark
Certified Business

We are Planet Mark Certified

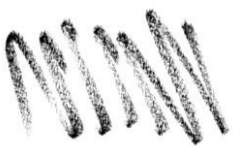

Year 1.

NORMAN ROURKE PRYME

This is to certify that Norman Rourke Pryme has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 June 2023

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

35.9 tCO₂e

Total carbon footprint.

0.5 tCO₂e

Total carbon footprint per employee.

Market-based

30.5 tCO₂e

Total carbon footprint.

0.4 tCO₂e

Total carbon footprint per employee.

£279,474

Total Social Value.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Bristol, Exeter Splatford, Exeter Emperor Way, and London

Emission Sources: Electricity, Transmission and Distribution, On-Site Renewables, Water, Fleet, Business Travel, Waste, Paper, and Homeworking (not included in total footprint)

Reporting Period: 01 Apr 2021 to 31 Mar 2022

Engage

70

FTE employees.

We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year-on-year progress in sustainability.

Communicate

6

Sustainable Development Goals.

We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 6 SDGs.
