

PlanetMark
Certified Business

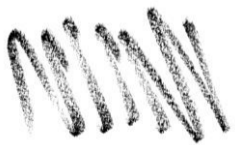

We are Planet Mark Certified

Year 1.

This is to certify that Fast Group has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 March 2023

Measure

1,215.0 tCO₂e
Total carbon footprint.

1.6 tCO₂e
Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Alabang Office, DMPI Cagayan, Jollibee Barandal

Emission Sources: Electricity, Water and Fuel

Reporting Period: 01 Jan 2021 – 31 Dec 2021

Engage

752
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to SDGs.

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
