

PlanetMark
Certified Business

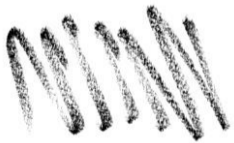

We are Planet Mark Certified

Year 1.

NorthCap

This is to certify that NorthCap has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 January 2024

Empowering change for a brighter future.
The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

1.1 tCO₂e
Total carbon footprint.

0.6 tCO₂e
Total carbon footprint per employee.

Market-based

1.3 tCO₂e
Total carbon footprint.

0.6 tCO₂e
Total carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Suite 2.06, Platform, New Station Street, Leeds

Emission Sources: Electricity, T&D Losses, Waste, Business Travel, Homeworking (excluded from footprint)

Reporting Period: 01 Nov 2021 to 31 Oct 2022

Engage

2
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

5
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 5 SDGs.
